Circles are better than rows

Two are better than one,
because they have a **good**
return for their labor:

If **either** of them falls down,
one can **help** the other up.
But **pity** anyone who falls and
has **no one to help** them up.

Though one may
be **overpowered**,
two can **defend** themselves.

A cord of three strands is
not quickly **broken**.

Ecclesiastes 4:9-12

Circles are preventative

Every **marriage** needs some
support now to avoid the need
for **life support** later.

If you wait you won't
have it when you need it
